

WELCOME

to the 6th EFSPI Regulatory Statistics Workshop 2021

**Webinar 2: Complex innovative designs:
Where is their place in drug development?**

We have put you on mute
We are waiting for other attendees to join
We will start soon

6th EFSPi Regulatory Statistics Workshop

13th – 15th September 2021

- Three webinar sessions devoted to:

Yesterday 1. Decentralized trials: What is the impact on evidence generation?

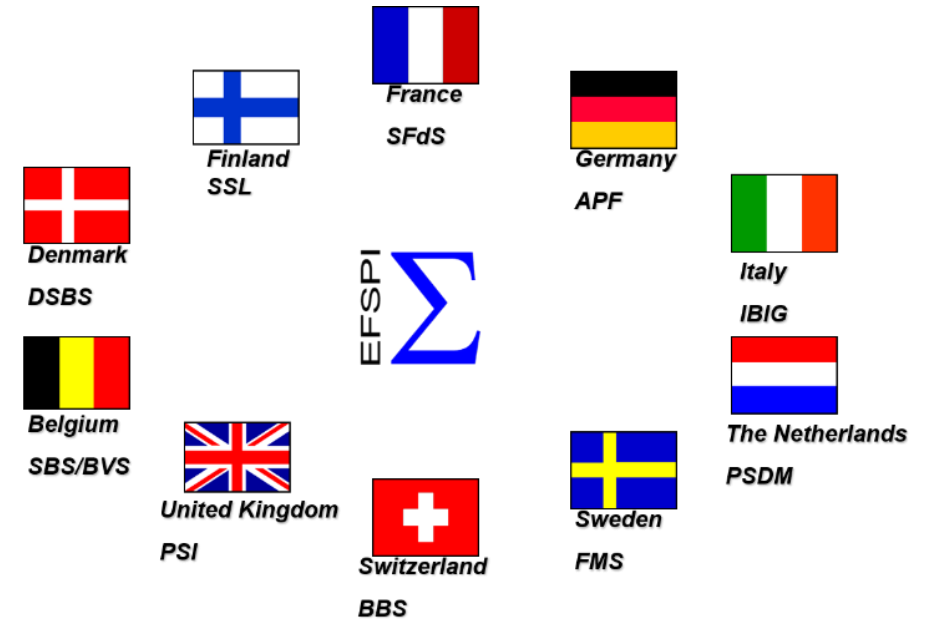

Today 2. Complex innovative designs: Where is their place in drug development?

Tomorrow 3. Real-world data - using their potential.

- Organization: EFSPi and organizing committees **THANKS!**
- Host: Roche (in particular Kaspar Rufibach) **THANKS!**

What is EFSPi

- EFSPi = European Federation of Statisticians in the Pharmaceutical Industry
- Founded in 1992
- A federation of National European Groups
- Now have 10 national groups
- No individual members
- EFSPi is an “umbrella”, non-profit making organisation
- Our national organisations collectively represent 2200 members
- Each organisation has 2 members on the EFSPi Council
- Website: www.efspi.org
