Statistics Leaders Meeting 2020 – Reminder

- Antitrust laws
- Compliance
- Best practice principles for meetings
- Social media
- Generally, please do not take screenshots. We will share all relevant information after the meeting with you.
Last year at the same time we were able to meet F2F in Ingelheim and to enjoy the interactions and sunshine together...
This year is a bit different ... and we are more than happy to meet and *welcome* all of you virtually!

Who are we?

- EFSPI = European Federation of Statisticians in the Pharmaceutical Industry
- Founded in 1992
- EFSPI is an “umbrella”, non-profit making organisation
- A federation of 10 National European Groups
- No individual members
- Our national organisations collectively represent ~ 2200 members
Strategic Objectives

1. Represent the association members of EFSPi and provide a united and respected voice on key scientific, regulatory and statistical issues in drug development

   - Develop program of scientific meetings and partner with association members to provide opportunities to discuss and align on key scientific, regulatory and statistical issues (responsible: Scientific Chair)

   - Utilise EFSPi Statistics Leaders forum to discuss and align on emerging statistical areas and identify priorities and opportunities for EFSPi to lead/promote these areas in the health care environment (responsible: Statistics Leader Chair)
This is an EFSPI Meeting though virtual
