

European Statistical Meeting on Decision Making in Drug Development

Suresnes (Paris), Wednesday 12th December 2018

08:45-09:15 Registration

09:15-09:30 Emmanuel Quinaux (EFSPi) and Maylis Coste (Servier and EFSPi)
Welcome and opening

Morning Sessions (Chair: Gaëlle Saint-Hilary)

09:30-10:20 **Anthony O'Hagan (University of Sheffield)**

Introduction to decision-making

10:20-11:10 **Juan Abellan (GSK)**

Prior elicitation to support quantitative decision-making

11:10-11:30 Break

11:30-12:20 **Maria Costa (Novartis)**

Benefit-Risk Assessment in Drug Development

12:20-13:30 Lunch and Poster Session

Afternoon Sessions (Chair: Guido Thömmes)

13:30-14:20 **Paul Frewer (Astra Zeneca)**

Decision Making in Early Clinical Development: The framework used within AstraZeneca

14:20-15:10 **Nigel Stallard (University of Warwick)**

Decision-making in phase II/III trials using early endpoint data

15:10-15:30 Break

15:30-16:20 **Tom Parke (Berry consultants)**

Using simulations to optimize drug development decision-making

16:20-16:30 Closing
