

Risk Benefit – Update June 2011

Presenter: Lesley France

Actions Agreed from last meeting

Identify ways to become more involved in the IMI initiatives - particularly for safety

- IMI Protect is 5 year project and has representatives from several companies inc (Roche, AZ, Novartis, Takeda)
- Mainly focussed on methodology review
- Undertaking actions to increase awareness of IMI (e.g. PSI SPIN article planned)

Actions Agreed from last meeting

Set up a special interest group for Risk benefit

- Expression of interest from a number of people
 - As yet no volunteers to lead this activity
-
- We need you help to progress this activity
