

Session 2: How leaders are promoting innovation in drug development

Mouna Akacha, Cornelia Kunz, Kaspar Rufibach

- Summary provided on introductory and breakout session slidedecks.
- Key action items:
 - Within the EFSPi stats leaders group (potentially involving SIGs) define priority topics where EFSPi should engage.
 - Synthesize outcome of this meeting + EMA stakeholder interaction meeting of 7th June.
 - Feed these back to the EFSPi stats leaders.
 - Develop an ongoing process for this activity.
 - Interaction between EFSPi Stats Leaders and Method Leaders
