

7th Statistical Leaders Meeting

Tuesday July 5, 2016,

Paris, France

The EFSPI Statistical Leader's forum provides an opportunity for senior statistics leaders from across the EU pharmaceutical industry to address strategic challenges and further improve the impact and standards of pharmaceutical statistics in Europe.

This one-day meeting, organized for the 7th time, will consider and discuss again the (new) developments in the area of Pharmaceutical Statistics. The forum of Leaders will explore how it can best develop our profession and direct and engage itself optimally for the challenges that lie ahead, including the interaction with other professional bodies. The outcome of the meeting will also help direct the strategy for EFSPI.

The meeting will start at 9 am and close at 4:30 pm.
