

Welcome

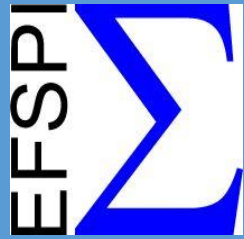

to the 7th EFSPI
Regulatory Statistics Workshop

What is EF SPI ?

- European Federation of Statisticians in the Pharmaceutical Industry
- Founded in 1992
- Non-profit organization
- 'Umbrella' for 10 National European Groups
- Our national organizations collectively represent >2000 members
- Each organization has 2 delegates on the EF SPI Council
- Website: www.efspi.org
- LinkedIn: <https://www.linkedin.com/company/efspi/>

EFSPI Objectives

- To promote professional standards of statistics and the standing of the statistical profession in the pharmaceutical industry
- To offer a collective expert input on statistical matters to national and international authorities and organizations
- To exchange information on and harmonize attitudes to the practise of statistics in the European Pharma Industry and within member groups

EFSPI Priorities 2022

TRANSFORM

into a federation that makes a difference today and into the future by **engaging with key stakeholders**

ENHANCE

our branding and **visibility**

FOCUS

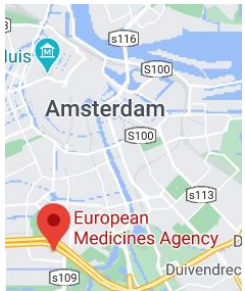

on **business continuity**
